

## 講座大師賀曾樸 ( Paul T.P. Ho ) 簡介

### *EDUCATION*

- 1977            Ph.D in Physics, MIT  
1972            S.B. in Physics, MIT

### *PROFESSIONAL POSITIONS*

- 2004-            Adjunct Research Fellow, ASIAA  
2003-            Joint Professor of Physics,  
                    National Taiwan University  
2003-            Adjunct Professor of Astronomy, National Central University  
2002-2004       Distinguished Research Fellow, AMiBA PI, Academia  
                    Sinica Institute of Astronomy and Astrophysics  
2002-2003       Distinguished Research Fellow, Director, Academia Sinica Institute of  
                    Astronomy and Astrophysics  
1989 -            Senior Astrophysicist, SMA Project Scientist Smithsonian Astrophysical  
                    Observatory  
1986-1990       Associate Professor of Astronomy, Harvard University  
1982-1986       Assistant Professor of Astronomy, Harvard University  
1977-1979       Research Associate Five College Radio Astronomy Observatory, University of  
                    Massachusetts, Amherst

### *PROFESSIONAL ACTIVITIES*

Referee for: Astrophysical Journal, Astronomical Journal, Publication of the Astronomical Society of Japan, Astronomy and Astrophysics, Science, Nature, Icarus, Astrophysical Letters and Communications

Referee for: National Radio Astronomy Observatory, National Optical Astronomy Observatories, United Kingdom Infrared Telescope, National Aeronautics and Space Administration, National Science Foundation, National Research Council of Canada, National Science Council of Taiwan

Managing Editor for Astrophysical Letters and Communications

Member of: NRAO Users Committee, NSF Division of Astronomical

Sciences Visiting Committee, USRA Astronomy and Space Physics Science Council

Member of Advisory Committee for the Academia Sinica Institute of Astronomy and

Astrophysics Member of: Submillimeter Array Steering Committee, Central Engineering

Advisory Committee Federal Scientist Appointments Committee, Professional

Accomplishments Evaluation Committee
