

國內教授果尚志 (Shangjr Felix Gwo) 簡介

EDUCATION

- 1993 Ph.D. in Physics,
University of Texas at Austin, Texas
- 1985 B.S. in Electronic Engineering,
National Chiao-Tung University

PROFESSIONAL POSITIONS

- 2002-Present Professor, Department of Physics
Adjunct Professor,
Institute of MicroElectroMechanical System,
National Tsing-Hua University
- 1997-2002 Associate Professor Department of Physics, National Tsing-Hua
University
- 1996-1997 Research Scientist National Institute for Advanced Interdisciplinary
Research (NAIR), Tsukuba, Japan
- 1994-1996 Postdoctoral Research Scientist, Joint Research Center for Atom
Technology (JRCAT) Tsukuba, Japan
- 1990-1993 Research Assistant University of Texas at Austin, USA
- 1987-1990 Teaching Assistant University of Texas at Austin, USA

RESEARCH INTERESTS

Nanostructure physics, Surface science
Nitride materials for microelectronic and optoelectronic applications
Scanning probe microscopy and spectroscopy (SPM/SPS)
Molecular beam epitaxy (MBE)
