

王玉麟 (Yuh-Lin Wang) 研究員

Education:

Ph. D. in physics, University of Chicago (1988)

B. S. in physics, National Taiwan University (1979)

Professional Experience:

- | | |
|--------------|---|
| 2004/present | Research Fellow & Director
Institute of Atomic and Molecular Sciences, Academia Sinica,
Taipei, Taiwan |
| 2001/2004 | Research Fellow & Deputy Director
Institute of Atomic and Molecular Sciences, Academia Sinica,
Taipei, Taiwan |
| 1999/present | Adjunct Professor
Department of Physics
National Taiwan University, Taipei, Taiwan |
| 1998/present | Research Fellow
Institute of Atomic and Molecular Sciences, Academia Sinica,
Taipei, Taiwan |
| 1993/1999 | Adjunct Associate Professor
Department of Physics, National Taiwan University, Taipei, Taiwan |
| 1991/1998 | Associate Research Fellow
Institute of Atomic and Molecular Sciences, Academia Sinica,
Taipei, Taiwan |
| 1989/1991 | Postdoctoral Member of Technical Staff,
AT&T Bell Labs, Murray Hill, New Jersey, USA |
| 1987/1989 | Research Associate
Fermi Institute
University of Chicago, Chicago, Illinois, USA |

Professional Activities:

1. Member of the advisory board, Division of Natural Sciences & Mathematics, National Science Council, Taiwan (2002~ 2005)
2. Chairman of the review panel for research projects in physics, Division of Natural Sciences & Mathematics, National Science Council, Taiwan (2000 ~ 2001)
3. Editor of Chinese Journal of Physics (1997 ~ 2001).
4. Member of the review panel for research projects in physics, Division of Natural Sciences & Mathematics, National Science Council, Taiwan (1994 ~ 1996)
5. Member of American Physical Society
6. Member of American Chemical Society
7. Member of American Vacuum Society
8. Member of Chinese Physical Society in Taipei
9. Member of Chinese Material Science Society
10. Member of Chinese Microscopy Society

Honors

1. Outstanding Scholar Award, Foundation for the Advancement of Outstanding Scholarship (2005~2010)
2. Outstanding Nanotechnology Research Paper Award, Far Eastern Y. Z. Hsu Science and Technology Memorial Foundation, Taiwan (2002)
3. Outstanding research award, National Science Council, Taiwan (1992)
4. Research award, National Science Council, Taiwan (1993~2000)
