

徐爵民 (Jyuo-Min Shyu) 博士簡介

President

Industrial Technology Research Institute

Hsinchu, Taiwan

Education

- 1984~1988 Ph.D., Dept. of EECS, Univ. of California, Berkeley, USA
- 1977~1979 M.S., Dept., of EE, National Taiwan University, Taiwan
- 1973~1977 B.S., Dept., of EE, National Taiwan University, Taiwan

Professional History

- 2009~2010 Vice Chancellor, University System of Taiwan
- 2007~2010 Dean, College of EECS, National Tsing Hua University, Taiwan
- 2003~2007 Executive Vice President, ITRI
- 2004~2006 Executive Director, National Nanotechnology Program
- 2000~2004 General Director, Electronics Research & Service Organization, ITRI
- 2000~2001 General Director, SoC Technology Center, ITRI
- 1981~1984 Researcher, Matsushita Electric

Professional Society Activities

- 2006~2008 Chair, Nanotechnology and Microsystems Association, Taiwan
- 2002~2007 Director of the Board, Taiwan TFT-LCD Association
- 2001~2007 Director of the Board, Taiwan Semiconductor Industry Association
- 2004~2006 Chair, Taiwan Nanotechnology Industry Development Association
- 2002~2004 Chair, Institute of Electrical and Electronics Engineers (IEEE) Taipei Section
- 2000~2002 President, Taiwan SoC Consortium
- 1994~1995 Chair, Chinese Fuzzy Systems Association

Honors

- Fellow, Institute of Electrical and Electronics Engineers (IEEE)
- Fellow, Chinese Society for Management of Technology (CSMOT)
