

## Award Certificate

Congratulations! You are the winner of a Poster Prize awarded for excellent presentation of particularly significant innovative analytical research on the occasion of the

*4th Imaging Techniques with Synchrotron Radiation Workshop*

*24<sup>th</sup> to 27<sup>th</sup> September 2011*

*Bordeaux, France*

This Award, sponsored by *Analytical and Bioanalytical Chemistry*, entitles you to a free selection of books published by Springer up to a value of 200,- Euro.

Steffen Pauly  
Managing Editor  
Analytical and Bioanalytical Chemistry

Please send your book selection, including a copy of this certificate, to: [abc@springer.com](mailto:abc@springer.com);

Fax (49)6221-487 68377. You are warmly invited to submit a research paper based on the results presented in your Poster for publication in 'Analytical and Bioanalytical Chemistry'. With your submission, please indicate that you received this Poster Award, and following acceptance, we will be pleased to publish your paper with a footnote drawing attention to this Prize.
