

陳炳志教授 (Alfred Bing-Chih Chen, Ph.D.) 簡介

Professor, Department of Physics and
Director, Han-Min Hsia Space Science & Technology
Center
National Cheng Kung University
Tainan, Taiwan
E-mail: alfred@ncku.edu.tw

■ Education:

- B.S. in Physics, National Central University, Taiwan (1993).
- M.S. in Astronomy, National Central University, Taiwan (1995).
- Ph.D., Physics & Astronomy, National Central University, Taiwan (2000).

■ Professional Positions:

- Director, Han-Min Hsia Space Science & Technology Center, NCKU, Taiwan (2022-present)
- Coordinator, Interdisciplinary Course Program of Space Science and Engineering, NCKU, Taiwan (2019-present)
- Chairman, Institute of Space and Plasma Sciences, NCKU, Taiwan (2016-2019)
- Principal investigator, Science mission DIAT/TeNeP of FORMOSAT-8A (2020-present)
- Principal investigator, Gemini CubeSat missions (2022-present)
- Principal investigator, DOTcam payload onboard microsat RISESAT (2012-2023)
- Principal investigator, the science mission MIPEX/ComSAD on NCKU hybrid sounding rocket (2017-present)
- Co-Principal investigator/Co-PI, FORMOSAT-6 science mission (2008-2011)
- Principal investigator/Co-PI, ISUAL/FORMOSAT-2 mission (2004-2017)

■ Research Interests:

- Atmospheric electricity
- Instrumentation for Space Science and Astronomy
- System engineering of CubeSat and MicroSat

■ Honors & Awards:

- Design Grand Prize, the 21th Satellite Design Contest, Advisor.
- Award from the Ministry of Education (Grand Prize), the 26th Satellite Design Contest, Advisor.
