

趙吉光教授 (Chi-Kuang Chao, Ph.D.) 簡介

Professor, Department of Space Science and Engineering
National Central University
Taoyuan Taiwan
E-mail: ckchao@jupiter.ss.ncu.edu.tw

■ Education:

- B.Sc. in Atmospheric Physics, National Central University, Taiwan (1992).
- M.Sc. in Space Science, National Central University, Taiwan (1994).
- D.Phil. in Space Science, National Central University, Taiwan (2000).

■ Professional Positions:

- Professor, Department of Space Science and Engineering, National Central University (2021/8-present)
- Chair, Department of Space Science and Engineering, National Central University (2020/8-2023/7)
- Director, Graduate Institute of Space Science (and Engineering), National Central University (2017/8-2020/7)
- Chair, Taiwan Association of Space Technology (TASTE) (2017-2023)
- Executive Supervisor, Taiwan Space Industry Development Association (TSIDA) (2019-2023)

■ Research Interests:

- Space Payload
- Ionospheric Physics

■ Honors & Awards:

- TAO Journal One of the Most Cited Articles: "Advanced Ionospheric Probe scientific mission onboard FORMOSAT-5 satellite" published in TAO Journal (Volume 28, No. 2, a special issue on Earth Observation FORMOSAT-5 in 2017) (2022)
- Future Tech Award - Compact Ionospheric Probe, Ministry of Science and Technology (2019)
- Industry-university Cooperative Award, National Central University (2018)
