

周宏灏 (Hong-Hao Zhou) 院士简介

Member, Chinese Academy of Engineering
Chair Professor and Dean
Institute of Clinical Pharmacology
Director, Pharmacogenetics Res. Inst.
Xiang Ya School of Medicine,
Central South University
Changsha, Hunan, China
E-mail: hhzhou2003@163.com

EDUCATION

- Wuhan Medical College, 1957 to 1962.
- School of Medicine, Hong Kong University, 1983 to 1984
- School of Medicine, Vanderbilt University, 1985 to 1991

PROFESSIONAL POSITIONS

2nd Affiliated Hospital, Wuhan Medical College, Rotating Intern (1961-1962)
Department of Internal Medicine, Guangzhou Hospital, Physician (1962)
Department of Pharmacology, Hunan Medical University, Lecturer (1978)
Department of Pharmacology, Hunan Medical University, Associate Professor (1984 -1994)
Pharmacogenetics Research Institute, Hunan Medical University, Professor (1992-1999)
Institute of Clinical Pharmacology, Central South University, Professor (2000-)
Professor and Director, Institute of Life Science, Chongqing Medical University (2008-)
Professor, Huazhong University of Science and Technology (2009)
Dean, Institute of Biomedical Society, Huazhong University of Science and Technology (2009-)

RESEARCH INTERESTS

Racial and ethnic differences in drug response and interindividual difference in drug response
Clinical Pharmacokinetics and genetic polymorphism of drug metabolizing Enzymes
Personalized medicine and pharmacotherapy
Personalized gene chips
Pharmacogenetics of traditional Chinese medicines

HONORS & AWARDS

- China Medical Board Fellow (1983-1984)
- Merck Fellow (1984-1986)
- Member, Chinese Academy of Engineering (2005-)
- President, Hunan Pharmaceutical Association (2003-)
- Founding member, Pharmacogenetics and Pharmacogenomics Section, International Pharmacological Union (2002-)
- Member, Drug Metabolism Section Board, International Pharmacological Union (2006-)
- Member, Selection Committee, Merck Sharpe & Dohme International Fellowships In Clinical Pharmacology, USA (1998-2004)
- Honorable President, Chinese Society for Study of Xenobiotics (2005-)
- President, Chinese Society for Study of Xenobiotics (2000-2004)
- Vice President, Chinese Society for Study of Xenobiotics (1997-2000)
- President, Society of Clinical Pharmacology in Hunan (2000-)
- Standing member of Chinese Pharmacological Society (1992-2007)
- Vice President, Chinese Pharmacological Society (2007-)
- Senior Member, Drug Evaluation Committee, State Drug Administration of China (1998-)
- Member, Drug Evaluation Committee, Ministry of Public Health of China (1998-)
- Visiting Professor, Tennessee State University (1991-1993)
- Visiting Professor, Chinese University of Hong Kong (1989-1991)
- Honorable Professor, Forth Military Medical University (2007-)
- Visiting Professor, Tongji Medical University (1992-)
- Visiting Professor, Tongji Hospital, Tongji Medical University (2000-)
- Visiting Professor, Cairo University (2004-2006)
- Visiting Professor, Zhejiang University (2001-)
- Visiting Professor, Fudan University (2008-)
- Visiting Professor, Chinese University of Pharmaceutical Science (2005-)
- First Prize of Achievements in Science and Technology issued by Hunan Province, China (2004)
- First Prize of Achievements in Medical Science and Technology issued by Medical Association of China (2003)
- Second Prize of Achievements in Science and Technology issued by Hunan Province, China (2003)
- First Prize of Natural Science issued by the Ministry of Education of China (2000)
- Academic Prize of Liu Xiang-Mei, Hunan Medical University, China (2000)
- First Prize of Achievements in Science and Technology of Hunan Province, China (1999)
- First Prize of Achievements in Medical Science and Technology, Issued by Hunan Province, China (March. 1999)
- First Prize of Achievements in Medical Science and Technology issued by Department of Public

Healthy of Hunan Province, China (1998)

- Third Prize of 1998: First Prize of Achievements in Medical Science and Technology issued by the Ministry of Public Health of China (1994)
- Henry Christian Award for Excellence in Research by American Federation for Clinical Research (Apr. 1991)
- Merck Sharp & Dohme International Fellowship in Clinical Pharmacology (Sep., 1986 - Aug., 1991)
- University of Hong Kong/CMB Fellowship (Sep., 1983 - Aug., 1984)
