

呂俊毅 (Jun-Yi Leu) 簡介

Assistant Research Fellow
Institute of Molecular Biology
Academia Sinica, Taiwan
E-mail: jleu@imb.sinica.edu.tw

EDUCATION

- National Tsing-Hua University (Chemical Engineering), B.S., 1988
- National Tsing-Hua University (Life Science), M.S., 1990
- Yale University (Molecular, Cellular and Developmental Biology), Ph.D., 1999

PROFESSIONAL POSITIONS

- Harvard University (Molecular and Cellular Biology), Postdoctoral Research Fellow (1999-2005)
- Harvard University (Molecular and Cellular Biology), Research Associate (2005-2006)
- Institute of Molecular Biology, Academia Sinica, Associate Research Fellow (2006-)

RESEARCH INTERESTS

Experimental evolution, genomic analysis of genetic buffering and the mechanisms of speciation.

HONORS & AWARDS

- Damon Runyon Winchell Postdoctoral Fellowship (2000-2002)
- Merck Genomics-Related Research Award (2004-2005)
- Human Frontier Science Program (HFSP) Young Investigators' Grant (2007-2010)
- Academia Sinica Research Award for Junior Investigators in Taiwan (2009)
