

## 徐聰 (Cong Kevin Xu) 博士簡介

Senior Scientist  
NASA Herschel Science Center  
Infrared Processing and Analysis Center  
California Institute of Technology  
Pasadena, California, USA  
E-mail: [cxu@ipac.caltech.edu](mailto:cxu@ipac.caltech.edu)

### EDUCATION

Nankai University (Tianjin, China), B.S., 1980  
Beijing Normal University (Astrophysics), M.S., 1983  
International School for Advanced Studies, Trieste, Italy (Astrophysics), M.Ph, 1986  
International School for Advanced Studies, Trieste, Italy (Astrophysics), Ph.D., 1988

### PROFESSIONAL POSITIONS

Lecturer, Department of Physics, Beijing Normal University (1983-1984)  
Post-doctoral Research Associate, Division of Astrophysics, International Center for Theoretical Physics in Trieste, Italy (1988-1990)  
Alexander von Humboldt Research Fellow, Bonn, Germany (1990 – 1991)  
Research Associate, Max-Planck-Institut für Kernphysik, Heidelberg, Germany (1992-1997)  
Staff Scientist, Infrared Processing and Analysis Center, Caltech (1998-2003)  
Research Scientist, Infrared Processing and Analysis Center, Caltech (2004-present)

### RESEARCH INTERESTS

Infrared astronomy, interacting galaxies, galaxy evolution.
