

汪治平 (Jyhpyng Wang) 博士簡介

Research Fellow
Institute of Atomic and Molecular Sciences
Chair Professor
National Central University
E-mail: jwang@ltdl.iams.sinica.edu.tw

EDUCATION

National Taiwan University (Physics), B.S. 1981
Harvard University (Applied Physics), Ph.D., 1988

PROFESSIONAL POSITIONS

Assistant Research Fellow, Institute of Atomic and Molecular Sciences, Academia Sinica (1990-1991)
Associate Research Fellow, Institute of Atomic and Molecular Sciences, Academia Sinica (1991-1996)
Research Fellow, Institute of Atomic and Molecular Sciences, Academia Sinica (1996-present)
Associate Professor (joint appointment), Department of Electrical Engineering, National Taiwan University (1990-1996)
Professor (joint appointment), Department of Electrical Engineering, National Taiwan University (1996-2005)
Professor (joint appointment), Department of Physics, National Taiwan University (2005-present)
Chair Professor (joint appointment), Department of Physics, National Central University (2009-present)

RESEARCH INTERESTS

high-power laser, nonlinear optics, high-field physics.

HONORS & AWARDS

Excellent Research Award by the National Science Council (1994, 1995)

Academia Sinica Research Award for Junior Researchers (1996)

Outstanding Research Award by the National Science Council (1998)

Fellow, Physical Society of Republic of China (2002)
