

劉仲明博士(Jonq-Min Liu, Ph. D.) 簡介

Industrial Technology Research Institute
Bldg. 51, 195 Chung-hsing Rd., Sec. 4, Chutung
Hsinchu, Taiwan, R.O.C.
Tel: 886-3-5820075
Fax: 886-3-5820212

Born: April 5, 1952, Taiwan, R.O.C.

Education: M.S. & Ph.D., Chemistry, September, 1980
Columbia University, New York, U.S.A.
B.S., Chemistry, 1974
National Tsing Hua University, Taiwan, R.O.C.

Employment:

9/1980-6/1984	Associate Professor of Institute of Chemistry, Fu-Jen Catholic University, Taiwan
6/1981-5/1983	Research Committee Member, Energy of Ministry of Economic Affairs, Taiwan
1/1982-6/1989	Patent Review Committee Member, Bureau of National Standard, Ministry of Economic Affairs, Taiwan
7/1984-12/1988	Researcher & Research Manager, Materials Research Labs, Industrial Technology Research Institute
1/1987-Present	Senior Researcher, ITRI
12/1988-6/1989	Senior Researcher & Director of Electronic Materials Division Materials Research Laboratories, ITRI
12/1989-8/2000	Deputy General Director, Materials Research Laboratories, ITRI
9/2000-12/2005	General Director, Materials Research Laboratories, ITRI
1/2006-8/2010	General Director, Material and Chemical Research Laboratories, ITRI
9/2010-Present	Executive Vice President, ITRI
2/2011-Present	Chairman, ITRI International Inc., USA

Awards and Honors:

1. The 1990 Premier's Award of Outstanding Scientist Award
2. The Best Project Award by MOEA(Ministry of Economical Affair) for "Industrial Materials Development Project (1985-1990)"
3. The Best Project Award by MOEA(Ministry of Economical Affair) for "Key Materials for Optoelectronic Industry Project(1990-1995)
4. The Outstanding Alumni Award of National Tsing Hua University, 2007

Research Interests:

Photochemistry, Photopolymers, Organic Electronic Materials, Nanotechnology
