

張煥正博士 (Huan-Cheng Chang, Ph. D.) 簡介

Institute of Atomic and Molecular Sciences
Academia Sinica
No. 1, Sec. 4, Roosevelt Road
P.O. Box 23-166
Taipei 106, Taiwan

EDUCATION

- B.S. in Agricultural Chemistry, National Taiwan University, Taipei, Taiwan (1981)
- M.S. in Agricultural Chemistry, National Taiwan University, Taipei, Taiwan (1983)
- Ph.D. in Physical Chemistry, Indiana University, Bloomington, Indiana, USA (1990)

PROFESSIONAL POSITIONS

- Postdoctoral Fellow, Department of Chemistry, Harvard University, USA (1990-1993)
- Associate Research Fellow, Institute of Atomic and Molecular Sciences, Academia Sinica (1994-2000)
- Research Fellow, Institute of Atomic and Molecular Sciences, Academia Sinica (2004-present)
- Joint Appointment Research Fellow, Genomics Research Center, Academia Sinica (2004-present)
- Panel, Division of Chemistry, National Science Council (2005-2007)
- Associate Editor, Journal of the Chinese Chemical Society (2006-present)
- Joint Appointment Professor Department of Chemistry, National Taiwan University (2007-present)
- Vice Executive Secretary, Central Academic Advisory Committee, Academia Sinica, (2012-present)

RESEARCH INTERESTS

- Biophysical Chemistry
- Biological Mass Spectrometry
- Nanobiotechnology

HONORS & AWARDS

- Academia Sinica Research Award for Junior Researchers (1998)
- National Science Council Outstanding Research Award (2003)
- Academia Sinica Investigator Award (2007-2011)
- Outstanding Scholar Award of Foundation for the Advancement of Outstanding Scholarship (2007-2011)
- Academic Award of Ministry of Education (2008)
