

## 陳霖博士 ( Lin Chen, Ph. D. ) 簡介

Professor and elected member  
Chinese Academy of Sciences

Beijing, China

Email: [linchen@bcslab.ibp.ac.cn](mailto:linchen@bcslab.ibp.ac.cn)

### Education

1964-70: Undergraduate study in Biophysics,  
University of Science and Technology of China (USTC).

1973-75: Advanced study, USTC.

1981-83: Sloan Foundation Postdoctoral Fellow,  
University of California, San Diego and Irvine.

### Present Positions

Professor, Institute of Biophysics, Chinese Academy of Sciences.

Director, State Key Laboratory of Brain and Cognitive Science.

Director, Beijing MRI Center for Brain Imaging, sponsored jointly by Ministry of  
Science and Technology of China, Chinese Academy of Sciences, and Ministry of  
Health of China.

### Professional Experience

1973-79: Assistant teacher, Department of Biology, University of Science and  
Technology of China (USTC).

1980-85: Lecturer, Department of Biology, USTC.

1980-83: Visiting scholar and Sloan Foundation Postdoctoral Fellow, University of  
California, San Diego and at Irvine.

1985-present: Professor, Department of Biology, USTC and Graduate School, Chinese  
Academy of Sciences.

1988-present: Director and professor, Beijing Laboratory of Cognitive Science, USTC.

1988-89: Guest professor, Department of Psychology, University of Regensburg,  
sponsored by Humboldt Foundation.

1989-93: Guest professor, Department of Medical Psychology, University of Munich.

1993.11-94.02 and 94.11-95.02: Guest professor, Juelich KFA, Germany.

1996-present: Director, MRI Center for Brain Imaging, Chinese Academy of Sciences  
and Beijing Hospital.

1997-2004: Adjunct professor, The University of Texas Health Science Center

at San Antonia.

1998-present: Extraordinary member, Human Study Center, University of Munich.

2002.05-2004.09: Adjunct investigator, National Institute of Mental Health (NIMH), USA.

2004.09- present: Adjunct investigator (special volunteer), NIMH, USA.

2003-present: Director, Beijing MRI Center for Brain Imaging.

2005-2011: Director, State Key Laboratory of Brain and Cognitive Science.

2008-present: Professor, Institute of Biophysics, Chinese Academy of Sciences.

### **Field of Specialization**

Visual perception, cognitive neuroscience, neuroimaging.

### **Main Honors, Grants, and Fellowships**

Elected member of Chinese Academy of Sciences.

Elected member of TWAS (the academy of sciences for the developing world).

“Outstanding Scientists Award”, QiuShi Scientific Foundation (Hong Kong).

PI, National Principle Project (1990-1995) in Climbing Program, the Ministry of Science and Technology of China.

Co-PI, International Human Frontier Science Program research award (1996-1999).

Co-PI, National Principle Project (1996-2000) in National Program on Key Basic Research Projects (973), the Ministry of Science and Technology of China.

PI, Principle Project (2000-2005), National Nature Science Foundation of China.

PI, National Principle Project (2005-2009) in National Program on Key Basic Research Projects (973), the Ministry of Science and Technology of China.

PI, National Principle Project (2012-2016) in National Program on Key Basic Research Projects (973), the Ministry of Science and Technology of China.

Humboldt Foundation researcher fellowship (1988-1989).

Sloan Foundation postdoctoral fellowship (1982-1983).
