

Chung-Liang Chien

Deputy Minister
Ministry of Science and Technology
E-mail:clchien@most.gov.tw

EDUCATION:

B.S., Zoology, National Taiwan University, 1980–1984

M.S., Anatomy, National Taiwan University, 1986–1989

Ph.D., Pathology, Columbia University, 1989–1995

EXPERIENCE:

Lecturer, Dept. of Anatomy and Cell Biology, National Taiwan University, 1995-1996

Associate professor, Dept. of Anatomy and Cell Biology, National Taiwan university, 1996-2006

Research Scientist , Dept. of Cell Biology and Anatomy, University of Tokyo, 1999

Professor, Dept. of Anatomy and Cell Biology, National Taiwan University, 2006-present

Deputy Director, NTU Center of Genomic Medicine, 2007-2014.3

Associate Dean for Student Affairs, College of Medicine, National Taiwan University, 2008-2014.3

Associate Dean for International Affairs, College of Medicine, National Taiwan University, 2009-2012

President, Association of Anatomists of the Republic of China, 2010-2014.3

Associate Dean, College of Medicine, National Taiwan University, 2011-2014.3

Deputy Executive Secretary, Office of Science and Technology, Executive Yuan, 2012-2014.3

President, Taiwan Society for Stem Cell Research, 2014-present

Deputy Minister, Ministry of Science and Technology, 2014.3-present

AWARDS AND HONOR

Ching-Hsing Medical Award, 2005

Excellent Teacher Award, National Taiwan University, 2007; 2008; 2009; 2012

The Editorial Board of Journal of Biomedicine and Biotechnology, 2009-2012

The Editorial Board of BioMed Research International., 2012-present

RESEARCH INTERESTS

Cell Biology (Cytoskeletons)

Biology of Embryonic Stem (ES) cells

Cellular and Animal Models for Neuronal Diseases

Cancer Biology

Transgenic Mice
