

Ing-Ming Chiu

Distinguished Investigator

Institute of Cellular and System Medicine

National Health Research Institutes

E-mail: ingming@nhri.org.tw

EDUCATION

- B.S., Chemistry, National Taiwan University, Taipei, Taiwan (1974)..
- Ph.D., Chemistry, Florida State University, Tallahassee, Florida, USA (1981).

PROFESSIONAL POSITIONS

- Distinguished Investigator, Institute of Cellular and System Medicine, National Health Research Institutes, Taiwan (2008 - present)
- Distinguished Investigator and Director, Stem Cell Research Center, National Health Research Institutes, Taiwan (2005 – 2008)
- Professor, Departments of Internal Medicine and Molecular and Cellular Biochemistry, The Ohio State University, USA (1995 – 2005)
- Director, Brain Tumor Gene Therapy Program, The Ohio State University Arthur G. James Cancer Hospital and Research Institute, USA (1997 - 2002)
- Associate Professor, Departments of Medicine, Biochemistry and Genetics and Cancer Center, The Ohio State University, USA (1991 - 1995)
- Assistant Professor, Departments of Medicine, Biochemistry and Genetics and Cancer Center, The Ohio State University, USA (1986 - 1991)
- Senior Investigator, Angiogenesis R&D Center, Springfield, Virginia (1985 - 1986)
- Postdoctoral Fellow, National Cancer Institute, National Institutes of Health, USA (1981 - 1985)

RESEARCH INTERESTS

Professor Chiu's research interests are listed as follows:

- Therapeutic application and basic biology of neural stem cells and embryonic stem cells in neural degenerative disorders and neural repair
- Role of fibroblast growth factors in development and human diseases
- Transcriptional regulation of FGF

HONORS & AWARDS

- National Innovation Award in the Academic Research Category by Institute for Biotechnology and Medicine Industry (2011)
- Professor Emeritus, Internal Medicine, The Ohio State University, USA (2010-present)
- Fellow, American Association for the Advancement of Science (*elected in 2010*)
- President, Taiwanese Bioscientists of America (2005-2006)
- Outstanding Researcher of the Year, Comprehensive Cancer Center, The Ohio State University, USA (2002)
- Member, Scientific Review Committee, National Health Research Institutes, Taiwan (1998-2005)
- Member, Cell Biology and Physiology Study Section, National Institutes of Health, USA (1994-1998)
- Research Career Development Award, National Institutes of Health, USA (1990-1995)
- Faculty Research Award, American Cancer Society, USA (1990-1995, *declined*)
- Ohio Cancer Research Award, The Ohio State University, USA (1988-1990)
- Research Challenge Award, The Ohio State University, USA (1986)
- Fogarty International Fellowship, National Institutes of Health, USA (1981-1984)
