

## 魏國彥教授 (Kuo-Yen Wei, Ph.D.) 簡介

Professor  
Department of Geosciences  
National Taiwan University  
Mail Box 13-318, Taipei, Taiwan, 10617

E-Mail: [weiky@ntu.edu.tw](mailto:weiky@ntu.edu.tw)

### ■ Education:

- Ph.D., 1987, Oceanography, University of Rhode Island
- M.S., 1978, Geology, National Taiwan University
- B.S., 1975, Geology, National Taiwan University

### ■ Professional History:

- 2014, March- 2016, May. Minister, Environmental Protection Administration of Executive Yuan, R.O.C.
- 2010, Dec. – 2012, Aug. Chairperson, Research, Development & Evaluation Commission of Taipei City Government.
- 2009, July – 2010, Dec. Deputy Minister, Research, Development and Evaluation Commission, Executive Yuan, R.O.C.
- 1994-present Professor, Department of Geosciences, National Taiwan University
- 2000-present Adjunct Senior Researcher, Institution of Earth Sciences, Academia Sinica.
- 2001 summer Visiting Researcher, Dept. of Earth Sciences, Santa Cruz Campus, Univ. of California, USA.
- 1993-1994 Visiting Associate Professor, Department of Geology, National Taiwan University
- 1989-1994 Faculty Affiliate, Division of Invertebrate Paleontology, Peabody Museum, Yale University
- 1988-1994 Assistant Professor, Department of Geology and Geophysics, Yale University
- 1987-1988 Post-Doctoral Researcher, Marine Science Institute, University of California, Santa Barbara

### ■ Honors And Organization Positions:

- Junior Faculty Fellowship, Yale University, 1993-1994
- Member, China (Taipei) IGBP Committee, 1996-present
- Member of Editorial Board, Marine Micropaleontology (Elsevier), 2004-present
