

Terry B. J. Kuo

Professor and Director
Graduate Institute of Biomedical Informatics
Taipei Medical University, Taipei, Taiwan
E-mail: tbjkuo@ym.edu.tw

EDUCATION

- PhD. in Pharmacology, National Yang-Ming University (*1996*).
- M.D. in Medicine, National Yang-Ming Medical College (*1993*).

PROFESSIONAL POSITIONS

- Director of Graduate Institute of Biomedical Informatics, Taipei Medical University, Taipei, Taiwan (*2017/05-present*)
- Adviser, Medical Electronics, National Program for Intelligent Electronics (*2016/07-present*)
- Professor (joint appointment), Department of Biomedical Sciences and Engineering, National Central University, Taoyuan, Taiwan (*2015/08-present*)
- Chair Professor, National Central University, Taoyuan, Taiwan (*2014/08-present*)
- Professor, Institute of Brain Science, National Yang-Ming University, Taipei, Taiwan (*2006/02-present*)
- Director, Institute of Brain Science, National Yang-Ming University, Taipei, Taiwan (*2015/12-2016/01*)
- Director, Institute of Neuroscience, National Yang-Ming University, Taipei, Taiwan (*2015/12-2016/01*)
- Director, Institute of Translational and Interdisciplinary Medicine, National Central University, Taoyuan, Taiwan (*2014/08-2015/08*)
- Associate Dean, College of Health Sciences and Technology, National Central University, Taoyuan, Taiwan (*2014/08-2015/08*)

- Director, Department of Biomedical Sciences and Engineering, National Central University, Taoyuan, Taiwan (2014/08-2015/08)
- Subprogram Director, Medical Electronics, National Program for Intelligent Electronics (2012/01-2015/12)
- Director, Institute of Brain Science, National Yang-Ming University, Taipei, Taiwan (2006/08-2012/07)
- Dean, Research and Development Division, National Yang-Ming University, Taipei, Taiwan (2007/02-2010/07)
- Professor and Director, Institute of Neuroscience, Tzu Chi University, Hualien, Taiwan (2001/01-2006/01)
- Professor, Institute of Neuroscience, Tzu Chi University, Hualien, Taiwan (2000/02-2006/01)
- Resident Doctor, Department of Neurology, Tzu Chi Buddhist General Hospital, Hualien, Taiwan (1999/08-2001/03)
- Associate Professor, Institute of Neuroscience, Tzu Chi College of Medicine and Humanities, Hualien, Taiwan (1999/08-2000/01)
- Associate Professor, Department of Pharmacology, School of Medicine, National Yang-Ming University, Taipei, Taiwan (1996/08-1999/07)

RESEARCH INTERESTS

- Application of medical IoT
- Autonomic Neuroscience
- Cardiovascular Physiology
- Cloud Computing Science
- Medical Engineering
- Neurophysiology
- Pharmacology
- Signal Analysis
- Sleep Medicine

HONORS & AWARDS

- Ten Outstanding Young Person, Junior Chamber International (Taiwan) (2004).
- Outstanding Award of Academic Research, Tzu Chi University (2004).
- K. T. Li Youth Research Award, ACM (Association for Computing Machinery) Taipei/Taiwan Chapter and Institute of Information & Computing Machinery (2000).
- S. C. Wang Youth Research Award, Neuroscience Society of Taiwan (1999).
- Research Award, National Science Council (Taiwan) (1997-2000).
